

**POWERFUL
INTELLIGIBLE
AFFORDABLE**

**AUDIO PROFESSIONALS ALL OVER THE WORLD
HAVE 1 COMMON PRIORITY.**

Priority 1 is a robust, professionally finished speaker enclosure which offers first class intelligibility and musicality at an affordable price point.

Meet the X1.

Developed in conjunction with one of the world's top speaker manufacturers, the Australian Monitor X1 offers a level of performance that is rarely, if ever, seen at this astonishingly low price point.

The X1 offers a number of mounting options. The X1 features a pole mount, M8 rigging points and can be bracket mounted. We recommend the Euromet 002826 Wall Mounting Bracket.

The Australian Monitor X1 also comes standard with a foldback kit to ensure maximum flexibility in hire rigs or at any venue.

The Australian Monitor Synergy Series Power Amplifiers are the ideal way to ensure you get top performance from your Australian Monitor X1 Speaker System every time.
